| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... | 200 00 |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... | 300 00 |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000..... | 400 00 |
| (i) Pour chaque million ou fraction de million de dollars additionnel..... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,
Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet

de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommiss ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera

établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examinateur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 15th February, 1913, that Frank Miller was granted homestead and pre-emption entries for the S.W. $\frac{1}{4}$ of Section 34, and the S.E. $\frac{1}{4}$ of Section 33, in Township 26, Range 28, west of the Third Meridian, on the 11th April, 1912.

That the evidence on file shows that the entrant has had both hands amputated as a consequence of an accident which happened on the 25th May, 1912, and that he is now physically incapable of completing the requisite settlement duties in connection with this half-section.

The Minister submits a copy of a medical certificate from J. P. DeRosiers, M.D., and recommends in view of the statements contained therein that the residence requirements of The Dominion Lands Act be dispensed with in this case in accordance with the provisions of subsection 2 of section 20, and subsection 5 of section 27 of chapter 20, 7-8 Edward VII, so that a free patent may be issued to Frank Miller for his homestead and pre-emption upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee submit the same for approval.

Clerk of the Privy Council.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS Dr. R. G. Brett, of Banff, Alberta, has applied for the privilege of bottling the water of the Hot Sulphur Springs at Banff and of disposing of the same and of erecting a plant for the carrying on of this industry on lots 1 and 2, in Range 8, in the town-site of Banff, as shown on a plan of villa lots, sheet No. 2, approved and confirmed by Edouard Deville, on the 16th October, 1889;

And whereas it is provided under section 18 of The Forest Reserves and Parks Act, 1911, that the Governor in Council may make regulations for the leasing for any term of years of such parcels of land in the parks as he deems advisable in the public interest for the construction of buildings and for purposes of trade and industry,—

Therefore the Governor General in Council is pleased to order as follows:—

Dr. R. G. Brett, of Banff, Alberta, is hereby granted the privilege of bottling the water of the Hot Sulphur Springs at Banff and of disposing of the same and of erecting a plant for the carrying on of this industry on the lands above mentioned, for a period of twenty-five years from the first day of April, 1913, subject to the following provisos and conditions:—

1. That the rights hereby authorized shall be subject to the requirements of the Government at any time with respect to a supply of hot water for its bath-houses or any other purposes and shall also be subject to any grants of hot water which the Department of the Interior shall have made prior to the granting of these rights.

2. That the said Department shall have the right to regulate, in accordance with the flow of the springs at various seasons of the year, the amount of water to be used.

3. That the hot water allotted to the lessee, shall be used for bottling purposes and concentration and for no other purpose without the consent of the Minister of the Interior in writing.

4. That the lessee shall, within one year from the first day of April, 1913, erect a suitable building and instal machinery of a minimum capacity of two hundred car loads of the bottled product yearly.

5. That the building or buildings so to be erected shall be of artistic design approved by the Superintendent of the Park and shall be constructed and maintained in a manner satisfactory to the Superintendent.

6. That the plant shall be operated at all times in such a manner as not to create a nuisance or annoyance, the Minister of the Interior to be the final judge in all such matters.

7. That the lessee shall erect and maintain all fences, screens or other structure that may be deemed necessary by the Superintendent in connection with the protection of the interests of the park or of the public.

8. That each year the production of bottled water or its equivalent in concentrates by the lessee shall constitute such a proportion of the total capacity of the plant erected as the Minister of the Interior may require.

9. That a royalty of one-half cent per gallon, or its equivalent if the water is concentrated, shall be paid to the Crown by the lessee on all water supplied, such payment of royalty to commence from the first day of January, 1915.

10. That the lessee shall furnish the Department of the Interior with sworn quarterly returns, showing all operations carried on, and shall make payments of the royalties due on such operations on the 31st day of December, the 31st day of March, the 30th day of June, and the 30th day of September of each year.

11. That for the purpose of calculating the royalty to be collected, the said Department shall have access at all times to all books and records of the lessee.

12. That the lessee shall not assign the lease of the land in question, or of any of the rights hereby author-

ized, without the consent in writing of the Minister of the Interior.

13. That on failure on the part of the lessee to promptly carry out the reasonable instructions of government officers in respect of the rights hereby authorized, the said Minister may discontinue the supply of water to the lessee.

14. That violation of any of the provisions of this contract shall render the rights herein granted liable to cancellation.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 3rd day of March, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 20th February, 1913, that title to the fractional E. $\frac{1}{2}$ of Section 34, Township 48, Range 22, west of the Second Meridian, was, by letters patent bearing date the 17th September, 1901, vested in Mrs. Elizabeth Jackson in her capacity of personal representative of her late husband, Thomas G. Jackson, he having made military homestead entry therefor.

The Minister further states that,—as Mr. Jackson, prior to survey, located certain improvements on the fractional N.W. $\frac{1}{4}$ of the said Section 34, lying north of the river, and that certain portions of the E. $\frac{1}{2}$ of the said Section are separated by the south branch of the Saskatchewan River from the remainder,—Mrs. Jackson has applied to be given the said fractional N.W. $\frac{1}{4}$ of Section 34, lying north of the river, in exchange for the said portions which have been revested in the Crown and which may be more particularly described as follows :—

Firstly : all that portion of the north-east quarter of Section 34, in the forty-eighth Township, in the twenty-second Range, west of the Second Meridian, which lies to the east of the right bank of the Saskatchewan River as shown upon a map or plan of survey of the said Township, signed at Ottawa on the twentieth day of June, A.D. 1895, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior and containing by admeasurement eight and eighty hundredths acres, more or less, and

Secondly : all that portion of the east half of said Section thirty-four, which lies to the west of the said right bank of the said river as shown on said plan of survey of the said Township and containing by admeasurement forty-six and twenty hundredths acres, more or less, and as shown coloured green on the sketch hereto attached.

The Minister, being of opinion that the application should receive favourable consideration and the difference in area of 14 acres having been paid for at the rate of \$3.00 an acre, recommends that, under the provisions of subsection (f) of Section 76 of The Dominion Lands Act, an exchange of the parcels in question be authorized and that letters patent be issued to Mrs. Jackson in her capacity of personal representative of her late husband for the said fractional N.W. $\frac{1}{4}$ of Section 34, Township 48, Range 22, west of the Second Meridian, lying north of the river, which land may be more particularly described as follows :—

All that portion of the north-west quarter of Section thirty-four, in the forty-eighth Township, in the twenty-second Range, west of the Second Meridian, which lies to the north of the left bank of the Saskatchewan River as shown upon a map or plan of survey of the said Township, signed at Ottawa, on the twentieth day of June, A.D. 1895, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior and containing by admeasurement sixty-nine acres, more or less, and as shown coloured pink on the sketch hereto attached.

The Committee submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 22nd day of February, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS on account of an erroneous resurvey of the north boundary of Section 19, Township 26, Range 6, west of the Second Meridian, the owner of the south-east quarter of Section 30 in the said township built his house on the road allowance as established by the original survey ;

And whereas, in order to adjust the matter, the owner of the north-east quarter of section 19 was allowed to relinquish to the Crown in the right of the Dominion, a parcel of land out of his homestead containing 2 acres, sufficient to deflect the original road allowance, so that the said parcel might be conveyed to the Crown in the right of the Province of Saskatchewan for road purposes,—

Therefore the Governor General in Council is pleased to order as follows :—

All that portion of the north-east quarter of Section Nineteen, in the Twenty-sixth Township, in the Sixth Range, west of the Second Meridian, more particularly described as follows :—

“ Commencing at the post and pits defining the north-west corner of the north-east quarter of said Section Nineteen, thence easterly along the north boundary of said Section Nineteen a distance of thirty-nine chains and eighty-five links, more or less, to the north-east corner of said Section Nineteen ; thence southerly along the east boundary of said Section Nineteen a distance of one chain ; thence westerly in a straight line a distance of thirty nine chains and eighty-five links, more or less, to the point of commencement, and containing by admeasurement two acres, more or less, as shown coloured pink on the plan, hereto attached,”—is hereby vested in the Crown in the right of the Province of Saskatchewan, for road purposes.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 1st day of March, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 20th February, 1913, that certain discrepancies had arisen in connection with the surveys of land Crown granted by the Provincial Government and surveys made by the Dominion Government in Sections 5, 6, 7 and 8, Township 26, E. C. M., in the Municipality of Chilliwack, British Columbia, causing a conflict of interests between a group of eight owners of the ground ;

The Minister further states that investigation of the matter was made by officers of the Department of the Interior with the result that the various parties by mutual arrangement executed some fifteen transfers of fractional pieces of land rectifying the discrepancies between their various holdings ;

That Lewis Arthur Thornton, one of the parties affected, gave up and assigned 3 acres of his land in Legal Subdivision 8 of Section 6, for the purpose of the rectification and it was agreed by the officers of the Department of the Interior conducting the negotiations that in consideration of his doing so he was to receive an available portion of the north-west quarter of Section 4, in the said Township, (being that part of the available portion of the north-west quarter of Section 4 which is south of the extension westerly of the north line of Provincial Lot 439, Group 2), containing an area of approximately 22.91 acres, more or less, title to same to pass to him by way of purchase at one dollar (\$1.00) per acre ;

That the exchange was justified as the 3 acres given up by Mr. Thornton is valuable bottom land and the acreage he is to receive in exchange is of a high altitude and rough and of little value and because it was, in any event, necessary to secure the relinquishment of the 3 acres in order to complete the rectifications mentioned,—

The Minister, therefore, recommends that the said available portion of the north west quarter of Section 4 be sold to Lewis Arthur Thornton at one dollar (\$1.00) per acre.

The Committee submit the same for approval.

Clerk of the Privy Council.

WHEREAS application has been made by the Commissioner of Customs for the reservation of one acre of land, comprized in the N. W. $\frac{1}{4}$ of Section 10, Township 1, Range 22, west of the Second Meridian, for the purpose of a site for a Customs House at that point ;

And whereas the Minister of the Interior is of the opinion that the application should receive favourable consideration,—

Therefore His Royal Highness in Council is pleased to order that the land applied for, which is available according to the records of the Department of the Interior, be reserved during pleasure for the purposes of the Department of Customs ; the said land being more particularly described as follows :—

“Commencing at a point on the south boundary of said quarter Section, distant three hundred and ninety-five feet and sixty-five hundredths of a foot measured easterly along the said south boundary from the south-west corner of the said quarter Section ; thence, northerly and parallel to the said west boundary a distance of two hundred and eight and seven-tenths feet ; thence, easterly and at right angles to the last course a distance of two hundred and eight and seven-tenths feet ; thence, southerly and at right angles to the last course a distance of two hundred and eight and seven-tenths feet, more or less, to the said south boundary ; thence, westerly, following the said south boundary a distance of two hundred and eight and seven-tenths feet, more or less, to the place of commencement, containing by admeasurement one acre, more or less, and as shown coloured pink on a sketch hereto attached.”

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 25th day of February, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 18th January, 1913, that an application has been made by F. W. Anderson, C.E., of Kamloops, British Columbia, to purchase on irrigation conditions certain lands in Townships 21 and 22, Range 17, and Township 22, Range 16, west of the 6th Meridian, comprising an area of 2,229 acres, more or less, and being the lands set out in the accompanying schedule marked “A” ;

That the lands applied for have been inspected by the Agent of Dominion Lands, Kamloops, who reported that, without irrigation, they are unsuitable for anything but grazing ;

That the lands applied for have also been inspected by the Chief Engineer of the Railway Belt Hydrographic Survey, who reported that the lands can best be developed and cultivated by irrigation and without water are suited only for grazing ; that they are partly open grazing lands and partly timbered with pine, and, by a careful application of water by irrigation methods, they may be made to produce excellent forage crops and on some sloping benches fruit could be advantageously grown. He also states that Mr Anderson's proposition is a *bona fide* one, that his financial backing is good, and that he intends to and is capable of developing the land himself,—

The Minister recommends, in view of these favourable reports, that he be authorized to sell Mr. Anderson the lands set out in schedule “A,” hereto attached, on the following conditions :

1. The price of the land to be \$1.00 per acre, the first payment of 25 cents per acre to be made upon notification of sale, and the balance of 75 cents per acre payable upon the satisfactory completion of the irrigation scheme.

2. That at least 35% of the lands sold must be covered by an irrigation system satisfactory to the Minister within two years of notification of the sale, when the lands so covered will be sold.

3. That the remaining lands be covered by an irrigation system to the satisfaction of the Minister within four years from date of sale, when the lands so covered will be sold.

4. That if 35% of the lands are not covered by an irrigation system satisfactory to the Minister, within two years of notification of sale, no further consideration will be given his application and his interest in all the land and the moneys paid in will be forfeited.

The Committee submit the same for approval.

Clerk of the Privy Council.

The Minister, therefore, recommends that Morrison Parsons Bridgland, of Calgary, Alberta, Dominion Land Surveyor, be appointed as special examiner under the above provisions of The Dominion Lands Surveys Act.

 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.
- (7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre suppléant de l'Intérieur représente, le 5 mars 1913, que l'inscription de homestead a été accordée à M. Hugh Powers pour le quart nord-ouest de la section 25, township 22, rang 18, à l'ouest du 3e méridien, et l'inscription de préemption pour le quart nord-est de la section 25, township 22, rang 18, à l'ouest du 3e méridien, le 26 avril 1910 ;

Il appert que M. Powers a rempli certaines des conditions d'établissement, mais qu'à cause d'invalidité il lui sera impossible de se conformer aux autres exigences de la loi concernant la résidence ;

Le Ministre soumet la copie annexée d'un certificat médical de W. Duncan Smith, M.D., déclarant que M. Powers souffre d'une blessure d'arme à feu à l'épaule et au bras gauches, qui aura probablement pour résultat la perte de ce membre,—

Le Ministre recommande, dans les circonstances, qu'en vertu des dispositions du paragraphe 2 de l'article 20 du chapitre 20, 7-8 Edouard VII, M. Powers soit exempté des obligations de résidence prescrites par la *Loi des terres fédérales* en rapport avec l'inscription de homestead et de préemption, afin qu'une patente gratuite lui soit accordée dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité soumet cette recommandation pour approbation.

Les articles 20 et 22 des règlements de pêche pour la province de la Colombie-Britannique, établis par un arrêté en conseil du 18 mars 1910, sont par ces présentes rescindés, et ce qui suit leur est substitué :

Personne ne pêchera, tuera ou prendra de la truite de variété quelconque, y compris le "steelhead" du poids de deux livres ou moins inapprêtés, du 15 novembre de chaque année au 25 mars suivant, ces deux jours compris, sauf dans les eaux à l'est du 120e méridien où personne ne pêchera, prendra ou tuera de la truite d'aucune sorte du 15 novembre de chaque année au 30 avril suivant, ces deux jours compris. ATTENDU que le Docteur R. G. Brett, de Banff, Alberta, a demandé le privilège d'embouteiller et de vendre l'eau des sources sulfureuses thermales de Banff, et d'ériger un établissement pour l'exploitation de cette industrie sur les lots 1 et 2, rang 8, dans l'emplacement de ville de Banff, ainsi qu'indiqué sur un plan des lots de villas, feuille n° 2, approuvé et confirmé par Edouard Deville le 16 octobre 1889 ;

Et attendu que l'article 18 de la *Loi des réserves forestières et des parcs fédéraux*, 1911, stipule que le Gouverneur en conseil peut faire des règlements pour le louage pour tout terme d'années de tels lopins de terre dans les parcs qu'il juge à propos, dans l'intérêt public, pour la construction de bâtiments et pour des fins commerciales et industrielles,—

Par conséquent, il plaît au Gouverneur général en conseil de décréter ce qui suit :

Le privilège est par ces présentes accordé au Docteur R. G. Brett, de Banff, Alberta, d'embouteiller et de vendre l'eau des sources sulfureuses thermales de Banff et de construire un établissement pour l'exploitation de cette industrie sur les terrains ci-dessus mentionnés, pendant une période de vingt-cinq ans à partir du 1er jour d'avril 1913, subordonné aux stipulations et conditions suivantes :

1. Les droits accordés par ces présentes seront en tout temps subordonnés aux exigences du gouvernement en ce qui concerne l'approvisionnement d'eau thermique pour ses établissements balnéaires ou autres fins, ainsi qu'aux concessions d'eau thermique que peut avoir fait le Ministère de l'Intérieur avant que ces droits aient été accordés.

2. Le dit Ministère a le droit de déterminer, d'après la quantité d'eau dans les sources à différentes saisons de l'année, la quantité d'eau qui sera employée.

3. L'eau thermique accordée au locataire servira à l'embouteillage et la concentration, et à aucune autre fin sans le consentement écrit du Ministère de l'Intérieur.

4. Le locataire érigera, dans le cours de l'année qui suivra le 1er avril 1913, un bâtiment convenable et installera des machines d'une capacité annuelle d'au moins deux cents chargements de wagon du produit embouteillé.

5. Les constructions seront érigées d'après un plan artistique approuvé par le surintendant du parc et seront entretenus à la satisfaction du surintendant.

6. L'exploitation se fera en tout temps de manière à ne créer aucune nuisance ou embarras, le Ministre de l'Intérieur étant le juge en dernier ressort dans toutes ces questions.

7. Le locataire érigera et entretiendra toutes clôtures, tous abris ou autres constructions que le surintendant du parc peut juger nécessaire pour la protection des intérêts du parc et du public.

8. Chaque année la production par le locataire d'eau embouteillée ou son équivalent en concentrés constituera telle proportion de la capacité totale de l'établissement que le Ministre de l'Intérieur exigera.

9. Le locataire paiera à la Couronne, sur toute eau fournie, un droit d'un demi-cent le gallon, ou son équivalent si l'eau est concentrée, le paiement de ce droit devant commencer le 1er jour de janvier 1915.

10. Le locataire présentera au Ministère de l'Intérieur des rapports trimestriels assermentés indiquant toutes les opérations et fera les paiements des droits dus sur ces opérations le 31 décembre, le 31 mars, le 30 juin et le 30 septembre de chaque année.

11. Afin de calculer les droits à percevoir le dit Ministère aura accès en tout temps aux livres et papiers du locataire.

12. Le locataire ne peut céder le bail du terrain en question ou les droits accordés par ces présentes sans le consentement écrit du Ministre de l'Intérieur.

13. Le Ministre peut cesser de fournir l'eau au locataire dès que ce dernier néglige de se conformer promptement aux instructions raisonnables des fonctionnaires du gouvernement en ce qui concerne les droits conférés par ces présentes.

14. Toute infraction des dispositions de ce contrat rendra les droits accordés par ces présentes sujets à annulation.

Et attendu qu'afin de réparer cette erreur il a été permis au propriétaire du quart nord-est de la section 19 de céder à la Couronne, pour le Canada, une partie de son homestead contenant deux acres et suffisante pour détourner la première réserve de chemin, afin que ce terrain soit transporté à la Couronne pour la province de la Saskatchewan dans le but d'y établir un chemin,—

LE Ministre de l'Intérieur représente, le 20 février 1913, que le titre de la moitié fractionnaire est de la section 34, township 48, rang 22, à l'ouest du 2e méridien, a été donné, par lettres patentes datées le 17 septembre 1901, à madame Elizabeth Jackson en sa qualité de représentant personnel de feu son mari, Thomas G. Jackson, qui avait obtenu l'inscription militaire de homestead pour ce terrain.

Le Ministre ajoute que vu le fait que M. Jackson, avant l'arpentage, avait fait certaines améliorations sur le quart fractionnaire nord-ouest de la dite section 34, situé au nord de la rivière, et que certaines parties de la moitié est de la dite section sont séparées du reste de la section par la branche sud de la rivière Saskatchewan, madame Jackson a demandé que le dit quart fractionnaire nord-ouest de la section 34, situé au nord de la rivière, lui soit cédé en échange des dites parties, dont la Couronne a été réinvestie et qui peuvent être décrites plus minutieusement comme suit :

Premièrement, toute cette partie du quart nord-est de la section 34, dans le township 48, rang 22, à l'ouest du 2e méridien, situé à l'est de la rive droite de la rivière Saskatchewan, ainsi qu'indiqué sur une carte ou un plan d'arpentage du dit township signé à Ottawa le 20e jour de juin 1895 par Edouard Deville, arpenteur général des terres fédérales, et déposé au Ministère de l'Intérieur, ce terrain contenant huit acres et quatre-vingt centièmes plus ou moins, et

Deuxièmement, toute cette partie de la moitié est de la dite section 34 située à l'ouest de la dite rive droite de la dite rivière, ainsi qu'indiqué sur le dit plan d'arpentage du dit township, contenant quarante-six acres et vingt centièmes, plus ou moins, et coloré vert sur le tracé ci-joint.

Etant d'avis que cette demande devrait être accordée, et la différence de 14 acres en superficie ayant été

payée au prix de \$3.00 l'acre, le Ministre recommande qu'en vertu des dispositions du paragraphe (f) de l'article 76 de la *Loi des terres fédérales* l'échange des terrains en question soit autorisé et que les lettres patentes soient accordées à madame Jackson, en sa qualité de représentant personnel de feu son mari, du dit quart fractionnaire nord-ouest de la section 34, township 48, rang 22, à l'ouest du 2e méridien, situé au nord de la rivière ; ce terrain peut être décrit plus minutieusement comme suit :

Toute cette partie du quart nord-ouest de la section 34, township 48, rang 22, à l'ouest du 2e méridien, située au nord de la rive gauche de la rivière Saskatchewan, ainsi qu'indiqué sur une carte ou un plan d'arpentage du dit township signé à Ottawa le 20e jour de juin 1895 par Edouard Deville, arpenteur général des terres fédérales, et déposé au Ministère de l'Intérieur. Ce terrain contient 69 acres, plus ou moins, et est coloré rose sur le tracé ci-joint.

LE Ministre de l'Intérieur représente, le 15 février 1913, que Frank Miller a obtenu l'inscription de homestead et de préemption pour le quart sud-ouest de la section 34 et le quart sud-est de la section 33, dans le township 26, rang 28, à l'ouest du 3e méridien, le 11 avril 1912.

La preuve présentée démontre que l'inscrit a eu les deux mains amputées à la suite d'un accident dont il a été victime le 25 mai 1912, et qu'il est maintenant physiquement incapable de remplir les conditions d'établissement en rapport avec cette demi-section.

Le Ministre soumet une copie d'un certificat médical de J. P. DeRosiers, M.D., et en vue des faits qui y sont contenus il recommande que M. Frank Miller soit exempté de l'accomplissement des prescriptions de la *Loi des terres fédérales* en vertu des dispositions du paragraphe 2 de l'article 20, et du paragraphe 5 de l'article 27 du chapitre 20, 7-8 Edouard VII, afin que les lettres patentes de son homestead et de sa préemption puissent lui être accordées dès qu'il aura été prouvé, de la manière ordinaire, que les autres conditions de la loi ont été observées.

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 20 février 1913, que certaines différences entre les arpentages par le gouvernement provincial et des arpentages par le gouvernement fédéral de terres concédées par la Couronne dans les sections 5, 6, 7 et 8, township 26, E. M. C., dans la municipalité de Chilliwack, Colombie-Britannique, ont causé un conflit d'intérêts entre un groupe de huit propriétaires qui y résident ;

Le Ministre ajoute que le résultat de l'enquête faite par des fonctionnaires du Ministère de l'Intérieur est que les intéressés ont, par entente mutuelle, exécuté quelque quinze transferts d'étendues fractionnaires de terrains, corrigeant ainsi les différences entre les diverses propriétés ;

Lewis Arthur Thornton, un des intéressés, a cédé trois acres de sa terre dans la subdivision légale 8 de la section 6, afin de permettre cette rectification, et il a été entendu avec les fonctionnaires du Ministère de l'Intérieur, conduisant les négociations, qu'en considération de cette cession il recevrait une partie disponible du quart nord-ouest de la section 4, dans le dit township (soit cette partie de l'étendue disponible du quart nord-ouest de la section 4 qui se trouve au sud de l'extension vers l'ouest de la ligne nord du lot provincial 439, groupe 2), couvrant une superficie d'environ 22.91 acres, plus ou moins, dont il acquerra le titre par voie d'achat au prix d'un dollar (\$1.00) l'acre ;

L'échange est justifié par le fait que les trois acres cédés par M. Thornton sont un riche terrain de fond, tandis que le terrain qu'il doit recevoir en échange est très élevé et accidenté et de peu de valeur, et parce qu'il était nécessaire, en tout cas, d'obtenir la cession de ces trois acres pour compléter la rectification mentionnée,—

Par conséquent, le Ministre recommande que la dite partie disponible du quart nord-ouest de la dite section 4 soit vendue à Lewis Arthur Thornton au prix de un dollar (\$1.00) l'acre.

Le comité soumet cette recommandation pour approbation.

LE Ministre de l'Intérieur représente le 18 janvier 1913, que F. W. Anderson, ingénieur civil, de Kamloops, Colombie-Britannique, a demandé d'acheter aux conditions s'appliquant à la vente des terres pour l'irrigation certains terrains dans les townships 21 et 22, rang 17, et le township 22, rang 16, à l'ouest du 6e méridien, couvrant une superficie de 2,229 acres, plus ou moins, soit les terrains décrits dans l'annexe "A" ci-jointe ;

Les terrains demandés ont été inspectés par l'agent des terres fédérales, Kamloops, qui fait rapport que sans irrigation ils ne peuvent convenir à d'autres fins qu'au pâturage ;

Les terres demandées ont aussi été inspectées par l'ingénieur en chef du Service des levers hydrographiques de la zone des chemins de fer, qui fait rapport que l'irrigation est le meilleur moyen de développer ces terrains et de les cultiver et que sans eau ils ne seraient bons qu'au pâturage ; que ces terrains sont en partie découverts et en partie boisés de pin, et que par la sage application de bonnes méthodes d'irrigation on pourrait leur faire produire d'excellentes récoltes de fourrage et que les fruits y pourraient être avantageusement cultivés sur certains versants. L'ingénieur ajoute que la proposition de M. Anderson est faite de bonne foi, que son entreprise est

bien appuyée au point de vue financier, et qu'il a l'intention et est capable de développer lui-même ces terrains,—

En vue de ces rapports favorables, le Ministre demande l'autorisation de vendre à M. Anderson les terrains décrits à l'annexe "A" ci-jointe, aux conditions suivantes :

1. Le prix du terrain sera de \$1.00 l'acre, le premier paiement de 25 cents l'acre devant être fait lors de l'avis de vente, et la balance de 75 cents l'acre étant payable dès que les travaux d'irrigation auront été complétés de manière satisfaisante.

2. Au moins 35 pour cent des terres vendues doivent être couvertes par un système d'irrigation, à la satisfaction du Ministre, dans les deux ans qui suivra l'avis de vente, alors que les terrains ainsi traités seront vendus.

3. Le reste de ces terrains seront couverts d'un système d'irrigation, à la satisfaction du Ministre, dans les quatre ans qui suivront la date de la vente, alors que les terres ainsi traitées seront vendues.

4. Si 35 pour cent de ces terrains ne sont pas couverts par un système d'irrigation à la satisfaction du Ministre, dans les deux ans de l'avis de vente, la demande du requérant ne recevra plus aucune considération et il perdra tout intérêt dans le terrain et l'argent payé.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Depôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera

établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.
